

**Vocabulary Chapters 5, lesson 3 and chapter 6, lesson 3 – India and China Establish Empires
Honors World Civilization – Mrs. Petras**

Directions: Identify each term by giving a definition AND a statement of historical context. Historical context means what is the significance of the word or person in history. Relate the word or person to events you have learned in the chapter. The historical context shows analysis, a way for you to practice critical thinking skills and review what you have learned. (*Need for SOL - **Need for SOL and AP)

Example	D: Founder of the Mauryan Empire during classical India.
Chandragupta Maurya	HC: Chandragupta ended the Greek domination of India, created a vast army, levied taxes, and introduced a bureaucratic government.
